### Program

*BYO Pen or Pencil & paper*

- 10:00am**      **Registration — tea and coffee**
- 10:30am**      **Welcome from The Australian Lung Foundation**  
Dr James Markos, Respiratory Physician, Launceston General Hospital and The Australian Lung Foundation State Chair Tasmania.
- 10.35am**      **Seeing Through Your Eyes**  
Helen Courtney-Pratt, a nurse with the Pathways Home Project gives an insight into how nurses working on this project have gained a better understanding of a COPD patient's point of view, and I learnt how to assist in obtaining better outcomes.
- 11:15am**      **How Your Lungs Work**  
Dr James Markos will provide an overview of how the lungs work, discuss common lung conditions and explain some frequently used medical terminology.
- 12:15pm**      **Lunch and Lucky Door Prize**
- 1:00pm**      **How to Apply for a Funding Grant**  
Rod Morse from the 'Lungs In Poor Shape Group' presents a "How To" on applying for grants. This presentation has been prepared by Nigel Brown who has extensive experience in this area.
- 1:15pm**      **Changes to Home Oxygen Provision**  
Stephen McEwan, Manager, Health Dynamics Tasmania will present the Department of Health and Human Services recent changes to the policy on the supply of oxygen concentrators.
- 2:00pm**      **Thank you and Closing**
